16. We also will have a large tent at the front of the building adjacent to the main glass doors to help with social distancing.
17. We are asking customers to avoid congregating outside. Please use social distancing at all times.

PLAYING RULES FOR COVID REOPENING – LET'S FOCUS ON PLAY & FUN!

1. Games will be (2) 20 min running time periods. This is to allow for 15 min between games & limit exposure for all.
2. No overtime. Need to keep the games on time.
3. There will be only face-offs to start each period by tapping sticks 3 times. Otherwise other whistles will cause turnovers for the safety of the players and officials.
4. If there is a whistle due to a goalie covering the ball, opposing team must back off while goalie plays ball to a teammate behind the net with a whistle from an official signifying start of play.
5. Everything will be in play i.e. walls, net, beams expect when ball goes into players bench. Also, no goals can be caused by hitting what is was considered out of bounds prior to new Covid rules.
6. Off-sides will be a whistle resulting in a turnover to the opposing team that didn't cause the off-sides to avoid a face-off and to keep the game running.
7. ZERO TOLERANCE FOR FIGHTING AND ARGUING. YOU WILL BE ASKED TO LEAVE IMMEDIATELY. REMINDER THE CLOCK DOES NOT STOP. LET'S PLAY HOCKEY AND HAVE FUN!
